What is the Chili Open?

With the generous support of area businesses like title sponsor Blaster Chemical, the Chili Open Golf Classic, hosted by the Rotary Club of Strongsville, has raised nearly \$2 million for charity since 1992. This all-volunteer event has become a February tradition in Northeast Ohio, drawing nearly 1,000 attendees, many of whom enjoy the opportunity to play outdoor golf on two 9-hole courses complete with 65 yard fairways and Astro Turf greens.

You don't have to like golf or chili to have fun at Chili Open!

The day is fun for all with sizzling indoor activities including an action packed celebrity auction complete with local media and sports celebrities, hourly 50/50 cash drawings, a raffle with prizes including 10 tickets for the Cleveland Indians dugout logo at an upcoming game, a shopping spree and a flat screen television. You'll enjoy a variety of hot food ranging from pizza, sausage and wings to authentic Wendy's Chili along with beer, coffee, assorted beverages and desserts.

Benefitting Charities

Some previous benefiting charities include:
